

# INDUSTRIAL TECHNOLOGY SERVICES

Solving Facility Installation,  
Expansion, & Consolidation  
Readiness Challenges

Industrial Technology Services offers a wide range of facility readiness services to a multitude of industries. Our extensive experience allows us to take project specifications and apply smart, innovative solutions to achieve the best short- and long-term results.

Turnkey  
Solutions

Nationwide Service  
& Installation

Superior  
Craftsmanship

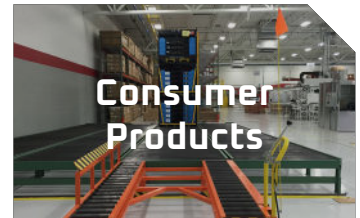

Engineering Design  
& Versatility

**UNLIMITED CAPABILITIES**  
The Experience & Versatility to Handle Jobs of Any Size & Scope

## INDUSTRIES SERVED

# SERVICES OFFERED

---

## Mechanical Systems & Installations

- Mechanical Infrastructure
- Manufacturing Equipment Installation
- Plumbing & Process Piping
- Chilled & Tower Water Systems
- Material Handling Systems
- Turnkey Installations
- Maintenance and Repair

---

## Steel Fabrication & Installations

- Facility Safety Products
- Custom Guard Rails
- Structural & Plate Fabrication
- Custom Ladders & Roof Access
- Material Storage Platforms
- Hopper Access Platforms & Ladders
- AWS D1.1 Certified Welders
- MIG, TIG, & Stick Welding
- Burning, Bending & CNC Plasma Cutting

---

## Automation & Control Systems

- Control System Integration & Automation
- Application Engineering
- Machine Integration
- CAD Services
- SCADA System Design & Implementation
- Custom Machine Design

## Electrical Systems & Installations

- Primary Power – Design, Installation & Upgrade
- Backup Power – Standby Generators
- Temporary Emergency Services
- Equipment Electrical Services/Installations
- Electrical Engineering
- Maintenance, Testing, Troubleshooting & Repair
- Turnkey EV Charging Station Installations
- LED Lighting – Industrial/Commercial

---

## General Contracting

- Program Management – Lean Practices
- Total Facility Construction
- Office Construction & Remodeling
- Facility Layout & Design
- Concrete Footings, Flatwork and Foundations
- Epoxy Floor & Finishes
- Facility Infrastructure
- Facility Maintenance & Repair
- Equipment Installations
- Pipefitting/Mechanical

---

## Rigging & Transportation

- International Door-to-Door Equipment Shipping
- Loading & Unloading of Equipment
- Equipment Transportation
- Equipment Installation & Relocation
